

# Meet Dr. Michael Walker

## Developmental & Behavioral Pediatrician

Harbor is proud to welcome Dr. Michael Walker back to Harbor in a newly created position as Medical Director, Developmental & Behavioral Pediatrics.

Dr. Walker is a fellowship trained and board certified Developmental/Behavioral Pediatrician, one of only two in the Toledo area. He has extensive experience evaluating young children with developmental delays and Autism Spectrum Disorders. He has served as a Developmental/Behavioral Pediatrician at the University of Florida College of Medicine, previously at Children's Safe Harbor, and at Cincinnati Children's Hospital Medical Center.

Mike completed his Developmental/Behavioral Pediatric Fellowship from Cincinnati Children's Hospital Medical Center in 2003, was Chief Resident of Pediatrics and served his residency at Medical College of Ohio. He received his Doctorate degree from American University of the Caribbean School of Medicine in 1996. Dr. Walker was also involved in the American Academy of Pediatrics-Ohio Chapter, Expert Panel Member, Autism Diagnosis Education Pilot Program / Developmental Learning Collaborative.

Harbor's Developmental and Behavioral Pediatric Team is dedicated to providing a comprehensive approach to the diagnosis of children with a variety of developmental and behavioral concerns. *"I am thrilled to be rejoining Harbor as the Medical Director for Developmental/Behavioral pediatrics. We have exciting plans to expand upon our excellent clinical diagnostic and treatment programs. Our goal is to be a center of excellence and the provider of choice for Developmental Pediatrics in Northwest Ohio."* Dr. Walker is a specialist referral and is currently accepting patients at **Harbor Developmental & Behavioral Pediatrics, 6629 West Central Avenue, Toledo, Ohio**. Please refer patients to **419-475-4449** for appointment availability.
